One-to-One Instruction on Writing Skills and Assistance with Writing Assignments in All College Subjects

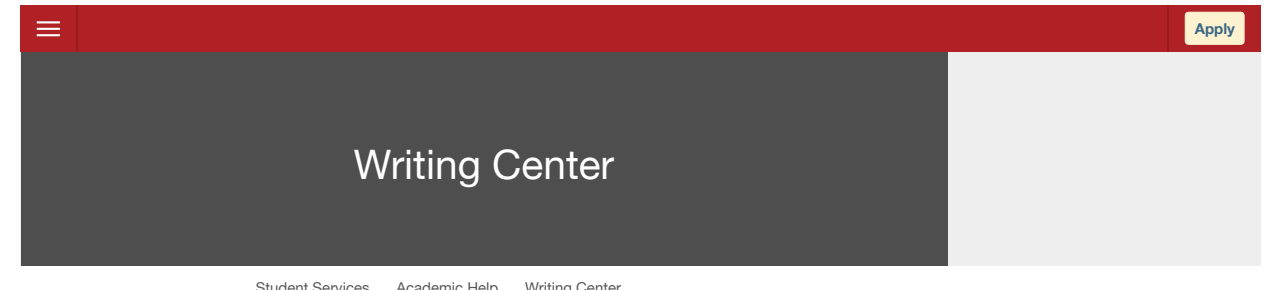

The Writing Center provides one-to-one instruction on writing skills and assistance with writing assignments in all college subjects on a drop-in and appointment basis. Our staff members have experience working with a variety of learning styles and preferences. The Writing Center also offers personal computer access and printing.

We can help with:

- Clarifying assignments
- Writing process
- Developing and organizing ideas
- Grammar and punctuation questions
- Proofreading and editing skills
- Interpreting literature
- Essay exam strategies
- Research paper skills
- Citing sources in MLA, APA, Chicago, and other formats
- Oral presentations
- College application and scholarship essays
- Resume and cover letter formatting and editing assistance
- Word processing skills

Online Writing Center

Get online support with Sierra College and Tutor.com via the Distance Learning Online Tutoring Help Center (<http://www.sierracollege.edu/distancelearning/help-center/tutor-writing-center.php>) or through the course menu on your Canvas account (<https://sierra.instructure.com/>).

Get Free One-on-One Writing Help in All Subjects

Improve your writing skills. Get feedback on your projects. Overcome writer's block. We can help you with your essays, papers, bibliographies, transfer and scholarship applications, and more.

You can write, revise, edit and print your work from our lab computers. Bring your own laptop or tablet, or pen and paper, and use our work tables.
